SECOND SUPPLEMENTAL  
INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97, applicant hereby makes the following patent document of record in the above-identified patent application:

Japan 2884612 (April 19, 1999)

A copy of the aforementioned patent document, which is listed on the accompanying Form PTO-1449 (submitted in duplicate), is enclosed herewith.

It is respectfully requested that this patent be (1) fully considered by the Patent and Trademark Office during examination of this application; and (2) printed on any patent which may issue on this application. Applicant requests that a copy of Form PTO-1449, as considered and initialled by the Examiner, be returned with the next communication.

The listed patent is being cited because a translation thereof was cited in an Examination Report issued by the British Patent Office in a counterpart British

patent application, as a substitute for a translation of corresponding unexamined Japanese Publication No. 3-80720, previously cited in a British Search Report in the same British application and cited by applicant in the above-identified patent application with a translation of the abstract only. For the convenience of the Examiner, a copy of the British Examination Report is attached. Pursuant to 37 C.F.R. § 1.97(e), applicant hereby certifies that the patent cited in this Supplemental Information Disclosure Statement was first cited in a communication from a foreign patent office not more than three months prior to the filing of this Second Supplemental Information Disclosure Statement. As can be seen, the date of the British Examination Report is March 18, 2004.

An early and favorable action is respectfully requested.

Respectfully submitted,
